

Sunrise Capital IV divests shareholding in Hanawa Shakai Fukushi Inc.

Tokyo, Thursday, 10 September 2026: Sunrise Capital KK would like to announce that Sunrise Capital IV (“Sunrise IV”) has today transferred all shares of its portfolio company, Hanawa Shakai Fukushi Inc. (“Hanawa” or the “Company”), to the Company’s founder and former owner, Mr. Ari Poradi Konno. Hanawa is a nursing care facility operator mainly operating in the Greater Tokyo area.

Since completing its investment in September 2022, Sunrise IV has undertaken a range of management support initiatives to facilitate a smooth business succession from the founder, including strengthening the Company’s management infrastructure, improving occupancy rates across its facilities and enhancing its recruitment efforts.

The transfer to Mr. Konno will enable Hanawa’s business to endure under the ownership of its founder, who owns the property and buildings used for the Company’s facilities. Sunrise IV concluded that this was the optimal solution for the Company’s residents and employees.

Hanawa will continue its business under the ownership of its founder, Mr. Konno, and will maintain the provision of services to its residents.
